Board of Directors Evening Men's League Director

The Director of the Evening Men's League, which runs Tuesday and Thursday evenings during the curling season with some Sunday evening games when needed, is expected to perform the following duties:

- Prepare the teams and draws for each night and each series based on the initial membership applications submitted to the club, individual changes in membership through the season, and ice times allocated to this league by the general manager, ensuring balanced sheet and time allocations for each team and division
- Ensure the proper recording of game results by the membership using such tools as Curling Club Manager and Excel.
- Working with the General Manager and Assistant General Manager, compose teams and the draw for the Men's Perdue Bonspiel at the beginning of the season
- Host the Men's Closing night, and help plan for and organize any events for that evening
- Ensure the smooth operation of the league through the season by addressing any complaints and suggestions from league members
- Attend regularly scheduled Board meetings as a voting member of the Board, and represent the operations and needs of the Evening Men's League to the other members of the Board
